

Memo to Explorer Parents about Summer Schedules:

Many parents of "graduated" explorers have been calling to see if we have space for their child in our summer camp. Because Discovery School is a year round school, we will not have a typical summer camp. We will continue with our normal month to month scheduling. We will, however, try to fill any spaces that occur due to explorers that may be out for part of the summer. We really need to know of any changes in your schedule that are anticipated for summer. Spaces will be filled by siblings of CDC and DS children, but these older kids have to plan around other camps and must make commitments as soon as possible. **We will not give away anyone's space unless you specifically tell us you will be out.** Please fill out the form below and return it to us by April 15th. Because others are counting on the spaces we calculate before summer starts, if you choose the week to week system below, the terms of your deposit will apply to the summer program. That means you need to give 30 days notice if you plan to change any of the weeks you are signing up for now. If you fail to give adequate notice, your deposit will be used to pay for that space!

Name _____

___ We will stay with the current monthly system w/no changes for the summer.

___ We will sign up for these individual weeks. The cost is \$175 per week and a one time registration fee of \$50. (If only out for 1 or 2 weeks, it may be cheaper to stay with normal monthly billing)

I understand that I must give 30 days notice to make changes to this summer schedule. If 30 days notice is not given, my original deposit will be forfeited.
