

Children's Discovery Center

CONTRACT OF DEPOSIT AND ACCOUNT AGREEMENT

To secure a position on the waitlist for enrollment at a Children's Discovery Center location, families must complete the Deposit Contract and pay the required non-refundable waitlist fee of \$150. The date you select for your enrollment deadline is based on your preferred date of enrollment. The director will predict, to the best of their knowledge, the earliest possible date of enrollment, but this estimation is **not a guaranteed** date of enrollment.

1. Your child will remain on the waitlist until your enrollment deadline arrives. You may choose to remain on the waitlist for the next available opening or remove your child from the waitlist. (Note, once you remove your child from the waitlist, if you choose to be added at a later date, a new deposit and contract will be required.)

2. Once the director confirms your child's start date, you will receive all registration paperwork through the Brightwheel app and pay your deposit (\$250) and annual supply fee (\$200). (Note, supply fees are charged each year in April. If you enroll in January-March, you will not be billed in April for the supply fee.)

3. When withdrawing your child from the program, at least a thirty-day notice is required before the expected date of withdrawal. The obligation for full payment of tuition and fees will continue until the date indicated by the written notice (email or communication through the Brightwheel app is preferred for the time stamp). When notice is adequately provided, and all accounts are paid in full, CDC will then apply your \$250 deposit towards your last month's tuition.

Please note that if less than thirty days' notice is given, you will still be responsible for tuition and fees for the thirty days following your notice of withdrawal, and your deposit will no longer be applied towards the last month's tuition. Should CDC have to go through a collection process for outstanding balances, you agree to pay all related and reasonable agency and/or attorney fees, plus all attendant collection costs and/or court costs.
